WINE LIST

Welcome to our small (but perfectly formed) selection of wines. We like them all. However, we can't expect everyone to like them all, so if it's not "floating your boat", please let us know so we can change it for something you do like.

Please note that many wines these days are under Stelvin closures (push for screw cap). These closures avoid silly plastics, maintains freshness and prevents cork taint. Fine French wines retain cork...for now.

Rules of Engagement:

1. Where a vintage is exhausted, we will offer a following vintage, assuming its worthiness as a replacement. If a wine's supply is exhausted, we will offer advice on a comparable, suitable alternative.
2. Symbol <S> means Stelvin Enclosure (push for screwtop)
3. House wines sold by the glass are 175ml or 250ml as standard. Please ask if you would like a 125ml glass.
4. Some of our staff are not of drinking age yet. Please feel free to ask advice from some of the older looking ones.
5. Corkage - If you are bringing your own wine, we charge £9 a person. If it's a wine of special interest, and we can have a taste, we probably won't charge anything.
6. ENJOY!
